Program Descriptions

2 Year Old Program:

The 2-year-old program is a playgroup style of learning. Play centered development with lots of imagination. Children enjoy a basic routine including circle time, art, and gym. We will explore number and letter awareness, colors, and shapes but the focus is on fun and socializing with peers.

3 Year Old Program:

The Christian based 3-year-old program introduces a little more structure but keeps all the fun! Children benefit from whole group and individual instruction, free play, gym, music, art, and chapel. Age-appropriate Handwriting Without Tears is included in the curriculum. Field trips and special school events are highlights of the year.

NEWLY ADDED 3's afternoon only session: The afternoon session is similar to the morning with some minor differences. Music and chapel will take place within the classroom rather than Fellowship Hall. Field trips, if any, will be upon afternoon availability of the facility and paid a la carte (no upfront activity fee due at registration).

4 Year Old Program:

We provide a traditional Pre-K education that is Christian based and focuses on development of basic literacy, math concepts, social studies, science, and social skills. Kindergarten readiness, positive peer culture, and learning through play are major components of this program. The curriculum includes Handwriting Without Tears as an additional support for school readiness. Special trips and programs are favorite traditions. Children also enjoy gym, art, music, and chapel.

Friday Enrichment Program (4's only):

Friday Enrichment builds and extends on our traditional 4-year-old program by incorporating STEAM concepts (science, technology, engineering, art, math). Program availability based upon enrollment.
